Watertown March 4" 1924

Meeting called pursuant to law to audit the books.
All members present
As my books and Mr. Cochrans checked as to orders, no trouble was had; except some dissagreement in addition. The bank statement shows 3.63 more than our books but as long as it is on that side of the fence, we should worry. May it ever be thus!
The meeting adjourned at 5.30 P.M.
