

Crosslake City Council
June 14, 1982 - 7:30 PM - REGULAR MEETING

The meeting was called to order at 7:30 PM by Mayor Carol Coulter. Council members were all present: Andolshek, Anderson, Arends and Delmonico. There were approximately 8 members of the community present.

CONSENT CALENDAR: MOTION: By Arends and seconded by Anderson to accept consent calendar with the following to be added to the minutes of May 10th under "TELEPHONE COMPANY": That the present policy in regard to "disconnect" remain intact and the only exception being each customer be mailed a "pink slip" stating the date the service will be terminated if payment is not received. The other items included in the consent calendar were the minutes of the special meeting of May 27th, the Treasurer's financial report for May and Telephone Company's financial report for May. The motion carried and the vote was unanimous.

CLERK'S REPORT: By Anderson and seconded by Delmonico that the City Clerk and Park Director, Patricia Felber be authorized to open an account and sign checks for the funds collected from the Dam Run project with any funds remaining be carried over for next year's Dam Run project. The motion carried and the vote was unanimous.

MOTION: By Anderson and seconded by Delmonico that the clerk be authorized to pay the following bills from Revenue Sharing for the completion of the city hall remodelling. Frank Peterson - \$648.51 the balance of the contract, Nisswa Ready-Mix Inc - \$327.60 for cement, and Crosslake Electric - \$92.96 for conduit under concrete. The motion carried and the vote was unanimous.

MOTION: By Arends and seconded by Andolshek that a set-up license be issued to Don Christner of the Pica-Deli. The motion carried and the vote was unanimous.

The clerk requested the the councilmen when signing vouchers not wait until they are passed along to their box but whenever they are in the office they sign them regardless of whose box they happen to be in at the time. The mayor announced that starting July 1st the council will be requested to sign all vouchers from the Telephone Company in the same manner the city vouchers are signed. She stated that she felt that as long as city money was being spent it is the council's responsibility to know what is being expended and not just the clerk's and the mayor's.

The clerk announced that there will be a school bond election on June 15th at City Hall. The hours will be from 1:00 PM to 8:00 PM.

The mayor stated that she hoped everyone has noticed the beautiful flowers and containers donated by the Northwoods Garden Club and that a thank you note has been sent to them. This club will conduct a tour of three gardens and they will meet for the tour on Monday, June 21st at City Hall, at 7:00 PM.

The mayor asked that everyone support the quilt raffle of the Crosslake Historical Society.

The mayor stated that in regard to the maintenance of the Bike Path that it is the city's responsibility for the perpetual maintenance of the Path according to the agreement with the County. Anderson stated that he had checked the path after receiving complaints and that evidently the prop-

erty owners had already cleaned up the debris. Pat Hoag, Road Maintenance Supervisor, will take care of this matter in the future. The matter of the three-wheelers on the bike path was discussed and it was decided that this should not be allowed.

CEMETERY: Andolshek reported on the Memorial Day services at the Cemetery.

FUNDING & FUTURE DEVELOPMENT: Andolshek reported that a meeting was held with the Planning & Zoning Commission on July 3rd as called by Chairman Jim Gallati of the Planning & Zoning Commission. Chairman of the Funding & Future Development Commission, Fred Bieber and Andolshek were the only ones that were able to attend. The two commissions established a program and a bond of cooperation was also established. The next meeting of the Funding and Future Development Commission will be held on Thursday, June 24th at 7:00 PM at City Hall. Everyone is welcome to attend.

PARK: Patty Felber, Park Director explained the schedule for tennis court fees. It was decided that the council would not have a motion on this as it is strictly a park matter. Delmonico questioned if anything definite had been decided about a membership plan for the Park. The park director responded that it is still being considered. The funds accumulated from the tennis court fees will build up to pay for eventual court repairs. In discussing the fire alarm system at the park, it was decided that when the alarm is activated it should be programmed directly to the Fire Department call number, 692-3000.

PLANNING & ZONING: By Anderson and seconded by Arends that Tom Herschback be approved as the Planning & Zoning Commission member to replace Dave Holker. The motion carried and the vote was unanimous.

Arends stated that he has discussed the matter of publicizing the matter of bringing sewers up to code with Charles Miller, Zoning Coordinator and they thought that ads should be run every other week in the Shopper and once a month in the Brainerd Dispatch. MOTION: By Arends and seconded by Delmonico that Mr. Miller take care of the publicity as described above. The motion carried and the vote was unanimous.

Mr. Miller stated that he has an appointment at Staples with Region V to bring the land use map on Tuesday at 1:30 PM on June 22nd and that anyone from Funding & Future Development who would like to come along can accompany him. MOTION: By Arends and seconded by Andolshek that the Zoning Coordinator be paid \$5. an hour for the additional work of bringing the land use map up to date which should take approximately 2 weeks. The motion carried and the vote was unanimous.

PUBLIC SAFETY: Delmonico asked the council if they had any questions in regard to the letter he had written them in regard to the matter of handling disturbances at the COE Camp Ground.

Delmonico then reported on his investigation into the matter of a possible dog leashing ordinance. He quoted the various costs involved and stated that both Breezy Point & Emily had ordinances at one time but abandoned them because of the exorbitant costs involved. Anderson requested that the city consider a "Dog Bite" ordinance for our city. The mayor suggested that perhaps this could be done when we change the Planning & Zoning ordinance.

The mayor instructed the clerk to inform Mr. Butz Pass of the council's

decision in regard to the Dog Leashing ordinance.

ROADS: Anderson reported that he and Arends had inspected the roads at Wildwood, the plat of Larry Olsen, and two things were not done at the time and that was the cul-de-sac at the end of the road and the Class #5 had not been put on. He instructed Mr. Olsen that 2" of Class #5 must be on the roads. As 3/4's of the Class #5 has now been put on and the cul-de-sac is done the following motion was made:

MOTION: By Anderson and seconded by Arends that the roads of Wildwood Plat be accepted contingent on the completion of installing the Class #5, with Anderson informing the City Clerk when the job is completed. The motion carried and the vote was unanimous, with Carol Coulter abstaining.

Anderson asked the council to consider the specifications of Crow Wing County for subdivision regulations on roads which are identical to the city's except for a few minor exceptions. He asked that everyone review it and consider putting it into our ordinance at the next meeting.

Anderson read the letter from City Attorney to James Rocheford in regard to the Vacation of old Highway #36. This is a matter of waiting for the County to complete the vacation before the city can do anything about Mr. Rocheford's property. Letter from City Attorney is on file in Clerk's Office.

Anderson stated that Tony Maucieri will not be working for the city for some time because of personal business. He stated that he has two applications for Tony's job and that both applications are equally qualified but that he recommends that the city hire Jay Lindenberg as he has worked for the city previously and was recommended by Patty Felber as a good worker. This is on a temporary basis in case Tony Maucieri wants to return to work at a later date.

Anderson stated he had received a complaint that John Lande is blocking a driveway by planting trees on Verna Drive. Arends stated that he and Mr. Miller had inspected the problem and they are not blocking it. Mr. Miller got out the plat showing Verna Drive, but does not show the continuation of Verna Drive going out to the highway. It was decided that as long as the people do have an access at the present time it should not be taken on as a city problem.

FIRE DEPARTMENT: Fire Chief Fraser stated that he and some of his Firemen will be asked to testify in regard to the Echo Ridge Fire. He wondered if the city should consult with the City Attorney in regard to this testimony. It was decided that this was not necessary, as they would be subpoenaed as an individual.

TELEPHONE COMPANY: Arends stated that as long as he was not able to attend the last Telephone Commission meeting that perhaps Andolshek would have something to report. Andolshek stated that there was nothing to report.

In closing it was mentioned that there will be no Police Reserve Brunch this year.

On a motion by Anderson and seconded by Arends the meeting was adjourned at 8:35 PM. The motion carried and the vote was unanimous.

Respectfully submitted,

Jan Laughlin
Jan Laughlin, Clerk-Treasurer
