

COOL HAVEN LANE FINAL ASSESSMENT HEARING
CITY OF CROSSLAKE
NOVEMBER 3, 2001
11:00 A.M. – CITY HALL

Pursuant to proper notice duly given as required by law, the City Council met in the Chambers of City Hall for the final assessment hearing on the improvement to Cool Haven Lane. Present at the hearing was Mayor Darrell Swanson and Councilmembers Sandy Eliason, Charles (Chuck) Miller and Irene Schultz. Absent was Dean Swanson. Also present was City Administrator Thomas Swenson, City Engineer Dave Reese, Community Development Director Paul Larson, and Clerk/Treasurer Darlene Roach. (Sign in sheet attached as a permanent part of the minutes.)

Mayor Swanson called the public hearing to order at 11:00 A.M. and stated that the purpose of the hearing was to hear comments or objections to the proposed assessment for the improvement of Cool Haven Lane. City Administrator Tom Swenson read the Affidavit of Mailing confirming that the notice of final assessment hearing was deposited in the U.S. Post Office on October 19, 2001 mailed in a prepaid envelope containing the notice of the hearing along with the record of assessment showing the proposed cost to each benefiting property owner. Property owner addresses were obtained from a list received when the Improvement Hearing notices were mailed along with addresses on file in City Hall. On October 18, 2001 the Notice of Final Assessment Hearing was published in the City's official newspaper, the Lake Country Echo.

City Engineer Dave Reese presented the project summary for the road improvement project. He stated that the project has been completed and the summary reflects the numbers estimated from the feasibility study and the actual cost of the improvement. The feasibility study completed by Widseth Smith Nolting estimated the cost of the project at \$34,725. The actual project cost is \$27,976.26. Of this amount, the City will pay fifty percent of the cost or \$13,988.13 and the benefiting property owners will pay \$13,988.13. The total number of equivalent lot units calculated at the time of the feasibility study was 10 and the actual number of equivalent lots is 14 for a cost of \$999.15 per equivalent lot unit. It was noted that the assessment can be paid in full within thirty days of the adoption of the assessment roll without incurring interest. If the assessment is not paid in full, it will be assessed over a period of ten years and included on the property tax statements beginning in Year 2002 with an interest rate of 6.25% per annum.

The hearing was open to the Council and audience for questions. Richard Schmidt who resides at 12817 Cool Haven Lane inquired as to the cost for correcting the drainage problem at the end of the road. City Engineer Dave Reese stated that the cost was not broken down but that WSN could do that. Originally, a retention pond was proposed to be installed at a cost of approximately \$3000, however pipes were utilized in lieu of the pond which cost considerably less since the property owner agreed to work with the City and pay to have their driveway paved to help alleviate the problem with drainage. An easement was negotiated with the property owner for the drainage. Based on this, the costs came in less than \$3000. City Administrator Swenson stated that the City views

drainage issues as a part of the overall road project costs whether they are at the end, beginning or middle of the project. There being no further comments, MOTION PH13-11-01-01 WAS MADE BY CHUCK MILLER AND SECONDED BY IRENE SCHULTZ TO APPROVE RESOLUTION 01-81 ADOPTING ASSESSMENT FOR COOL HAVEN LANE SINCE IT IS THE BELIEF OF THE COUNCIL THAT THE MARKET VALUE OF THE PROPERTY HAS INCREASED AS A RESULT OF THE ROAD PROJECT. MOTION CARRIED WITH ALL AYES.

MOTION PH13-11-02-01 WAS MADE BY SANDY ELIASON AND SECONDED BY IRENE SCHULTZ TO ADJOURN THIS FINAL ASSESSMENT HEARING FOR COOL HAVEN LANE AT 11:09 A.M. MOTION CARRIED WITH ALL AYES.
