

REGULAR COUNCIL MEETING
CITY OF CROSSLAKE
MONDAY, NOVEMBER 10, 1997
7:00 P.M. - CITY HALL

The Council for the City of Crosslake met in the Council Chambers of City Hall on Monday, November 10, 1997. The following Councilmembers were present: Mayor Robert Scott, Donna Keiffer, Charles Miller, Raymond Smyth and Richard Upton. Also present was City Administrator Thomas Swenson, City Attorney Paul Sandelin, City Engineer Dave Reese, Reporters Tom Waller and Christine Dufour and Deputy Clerk Darlene Roach. There were approximately 34 individuals in the audience.

Mayor Scott called the meeting to order at 7:00 P.M.

CRITICAL ISSUES -

1. Discussion of adopting Lodging Tax Ordinance - Dawn Bittner and Bill Abelson, members of the Whitefish Area Lodging Association, were present to discuss the adoption of a Lodging Tax Ordinance which had been tabled from the October Council Meeting to allow time for the City Attorney to go through the proposed Ordinance. MOTION 11R-01-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH TO APPROVE THE RESOLUTION PROVIDING FOR A LODGING TAX FOR CROSSLAKE. Mr. Roger Schweiters, owner of Boyd's Lodge and a member of WALA, explained that the resort owners would rather see a 3% tax imposed versus increasing rates since a rate increase would be taxable income to the resort owners. There was some discussion as to who would administer the collection of the tax and Attorney Sandelin stated that it could be administered by a non-profit organization, agency or commission of the City. Chamber of Commerce President Karlo Goerges addressed the Council and stated that the Chamber felt the tax was needed as an alternative to raising Chamber members dues. However, the Chamber supports implementation of a County wide program. They requested that WALA wait until February 15, 1998 and they would re-evaluate their position. John Zesbaugh who has been involved with Area Combined Marketing for fifteen years also addressed the Council and stated that, generally, more is better, and that a County program would spend approximately 1.2 million dollars to support the area. He supported the position of the Chamber's to wait another two months to make a decision. A clarification of the motion was requested and Councilmember Miller stated that the motion directs the City Attorney to draft an Ordinance for the next meeting. MOTION CARRIED UNANIMOUSLY.
2. Game and Fish Club Request for Permit to hold Flea Markets - Mr. Roy Schafer addressed the Council and stated that the Game and Fish Club had eliminated the two holiday weekend markets by moving them to July 11th and August 29th.

MOTION 11R-02-97 WAS MADE BY RAY SMYTH AND SECONDED BY DICK UPTON TO APPROVE THE GAME AND FISH CLUB TRANSIENT MERCHANT PERMIT WITH THE REVISED DATES AND WITH THE STIPULATION THAT THE EXPLORERS ARE PRESENT DURING THE SCHEDULED FLEA MARKETS. MOTION CARRIED UNANIMOUSLY.

3. Planning and Zoning recommendation on Ordinance Amendment for County Road #3 Setbacks - Teri Hastings brought a recommendation to the Council from the Planning and Zoning Commission which changes the setback on County Road #3 on both the East and West sides to distances between 95 feet and 135 feet depending on the location. The Ordinance currently shows the setback at 156'. MOTION 11R-03-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH THAT THE SETBACKS ON COUNTY ROAD #3 BE RETURNED TO WHAT THEY WERE ORIGINALLY BEFORE THE 156' SETBACK WAS ADOPTED AND THAT THE COMPREHENSIVE PLAN BE CHANGED WHERE IT SHOWS A FRONTAGE ROAD AND THAT JOINT ACCESS BE LEFT IN THE COMPREHENSIVE PLAN. After the motion was made and seconded, the Council discussed the proposed changes in detail. Councilmember Miller and Upton both indicated they would support a 95 foot setback, however, both agreed they would not support a 135 setback in any area along the County road. Mr. Bill Souther, who owns property along County Road #3, submitted a letter supporting the Planning and Zoning Commission's recommendation. He addressed the Council and withdrew his letter. He indicated that he sent the letter because he felt it was the best compromise he would get. However, after further thought, he now supports a 35' setback. Councilmember Upton stated that he would not be in favor of a 35' setback from right-of-way because of the variations in the right-of-way along Country Road #3. Dave Reese commented that when property is subdivided in the County, a frontage road is required under a 1959 County Ordinance. He stated that the Commission had tried to come up with a recommendation that was consistent with the County Ordinance and the City's Comprehensive Plan. He stated that the Commission agreed that 156' was not realistic in all areas along the road, but that they had looked at areas where frontage roads could be used in order to satisfy the County Ordinance. Councilmembers Miller and Smyth asked why the City should be enacting Ordinances in Crosslake in order to enforce the County's Ordinances. REVISION TO MOTION 11R-03-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH TO CHANGE THE SETACK ON CSAH #3 TO 95' FROM CENTERLINE AND TO LOOK AT THE COMPREHENSIVE PLAN IN REGARDS TO REMOVING THE FRONTAGE ROAD REQUIREMENT. MOTION CARRIED UNANIMOUSLY.

MOTION 11R-04-97 WAS MADE BY DICK UPTON AND SECONDED BY RAY SMYTH TO DELETE THE LINE IN SECTION 8 OF THE ORDINANCE THAT REFERS TO THE 156' SETBACK ON COUNTY ROAD #3. MOTION CARRIED UNANIMOUSLY.

CONSENT CALENDAR - MOTION 11R-05-97 WAS MADE BY RAY SMYTH AND SECONDED BY CHUCK MILLER TO APPROVE ALL ITEMS ON THE CONSENT CALENDAR CONSISTING OF: (1) MINUTES OF OCTOBER 13, 1997 REGULAR COUNCIL MEETING; (2) TELEPHONE COMPANY FINANCIAL REPORT FOR SEPTEMBER, 1997; (3) CITY MONTH END EXPENDITURES FOR SEPTEMBER, 1997; AND (5) CITY MONTH END EXPENDITURES FOR SEPTEMBER, 1997. The City Administrator will send letters to the other communities served by North Ambulance requesting their participation in this subsidy.

MAYOR'S REPORT - Mayor Scott reported on the progress being made by the Public Works Department in the clearing and grubbing of the downtown road.

PLANNING AND ZONING - Teri Hastings stated that a letter was included in the packets which had been received from City Engineer Dave Reese reporting on a Wastewater Treatment Planning Meeting he had attended on October 16, 1997. Dick Upton asked Teri Hastings what progress was being made on the platted road issue. Teri Hastings replied that Public Works has been working on the issue and that a meeting had been held recently with Public Works Chairman Dean Swanson and herself. More work needs to be done before the matter is brought to the Council. Teri also commented that workshops are being held by the Planning and Zoning Commission where the Zoning Ordinances are being looked at with hopes of having a draft to the Council by Spring.

MOTION 11R-13-97 WAS MADE BY RAY SMYTH AND SECONDED BY CHUCK MILLER TO REMOVE ROSE STIMAC FROM PROBATION STATUS AND TO PLACE HER ON FULL TIME STATUS WITH BENEFITS. MOTION CARRIED UNANIMOUSLY.

Rob Larson reported on various donations recently received. Donations for the Halloween Party included \$250 from the Crosslake Ideal Lions Club; \$100 from the Crosslake Ideal Lioness Club; \$100 from the Crosslake Area Chamber of Commerce; candy from Camp Knutson, two fishing books from the Bait Box; and Halloween decorations for the Center from the Girl Scouts. Other donations received include 5 track hurdles from Jenny Schoessow and a Norfolk Pine from Charlotte Curtis. MOTION 11R-14-97 WAS MADE BY RAY SMYTH AND SECONDED BY DONNA KEIFFER TO APPROVE THE ACCEPTANCE OF THE ABOVE MENTIONED GIFTS. MOTION CARRIED UNANIMOUSLY.

Councilmember Smyth reported that a sub-committee of the Park and Recreation Commission consisting of Virginia Dolmar, Judy Maas, Tony Thelen and Alan Eliason had met with the Park and Recreation Commission and recommended the construction of a picnic shelter on the old concrete slab from the original Community Center building. The dimensions proposed would be 56' long by 42' wide with open sides, vaulted ceiling with most of the space inside available for picnic tables. A small kitchen would be included but without appliances necessary for preparing or cooking food. Restroom facilities would be in close proximity to the picnic shelter and the ballfield. The Lions Club has agreed to donate \$20,000 and a commitment has been made for volunteer services including the footings which were put in prior to the ground freezing.

The Park Dedication Fund currently has approximately \$8,000 available for use on the picnic shelter with more money becoming available as future developments occur. A DNR grant is being submitted for a larger development which would include playground equipment and hiking paths. These funds are normally matching funds so the donation from the Lions Club, volunteer services and park dedication fund monies could be a part of the matching funds. Approval to proceed was requested. MOTION 11R-15-97 WAS MADE BY CHUCK MILLER AND SECONDED BY DONNA KEIFFER TO AUTHORIZE THE PARK AND RECREATION COMMISSION PROCEEDING WITH THE CONSTRUCTION OF THE PROPOSED PICNIC SHELTER AS PRESENTED; TO AUTHORIZE PARK DEDICATION FUNDS IN AN AMOUNT UP TO \$12,000 AND TO NAME THE PICNIC SHELTER THE CROSSLAKE-IDEAL LIONS CLUB PICNIC SHELTER. MOTION CARRIED UNANIMOUSLY.

Another item under discussion by the Commission is a proposed change to the Ordinance allowing some limited use of alcoholic beverages at the picnic shelter with approval by the City Administrator and Police Chief. Chief Backdahl commented that while the Police Department felt the park should be a place for children, where alcohol is not present, he did agree to monitor the situation and be a part of the approval process if the Ordinance change is approved. Dave Timm, resident, expressed his concern regarding trying to contain the alcohol to the picnic shelter area, the number of residents living along Daggett Pine Road with individuals consuming alcohol and then driving, and the added responsibility being placed on the Police Department. Allan Eliason expressed his opinion that the individuals being approved for a permit for consuming beer and wine at the picnic shelter would be responsible individuals carrying the required insurance. He stated that other communities allow this type of activity and do not experience problems.

Also under discussion by the Commission is establishing a set of guidelines for use of the Community Center. Both of these items will be brought back to the Council at a later date.

PUBLIC SAFETY - The Universal Hiring Grant submitted in June has been approved by the U.S. Department of Justice. Oral interviews will be held on Tuesday, November 18th to finalize the hiring process for another police officer.

PUBLIC WORKS - Chairman Dean Swanson brought a recommendation to the Council that Egret Road and M&D Addition road be snowplowed by the City.

MOTION 11R-16-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH THAT THE CITY PLOW EGRET ROAD IN D&M ADDITION PROVIDED THAT THE TURF BE COMPLETED IN THE SPRING. MOTION CARRIED UNANIMOUSLY.

City Engineer Dave Reese stated that a portion of the road in M&D Addition has been paved. After examining the road, it was determined that shouldering material is needed along the blacktop surface to support the edges.

MOTION 11R-17-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH TO APPROVE SNOWPLOWING THE BLACKTOPPED PORTION OF M&D ROAD CONTINGENT ON THE SHOULDERING WORK BEING DONE THIS FALL. MOTION CARRIED UNANIMOUSLY.

MOTION 11R-18-97 WAS MADE BY CHUCK MILLER AND SECONDED BY RAY SMYTH TO APPROVE KARL SKOG AS A MEMBER OF THE UTILITIES COMMISSION. MOTION CARRIED UNANIMOUSLY.

The Commission recommended the filing of a rate increase with the Minnesota Public Utilities Commission for an increase to \$11.51 for residential customers and an increase to \$15.00 for business customers effective January 1, 1998. The rate increase will raise approximately \$100,000 for the Telephone Company. MOTION 11R-19-97 WAS MADE BY CHUCK MILLER AND SECONDED BY DONNA KEIFFER TO APPROVE THE SUBMISSION OF A RATE INCREASE TO THE PUBLIC UTILITIES COMMISSION. MOTION CARRIED WITH MAYOR SCOTT VOTING NAY. Councilmembers Upton and Miller thanked Kevin Larson for all the information provided regarding the rate increase proposal.
