C. CRITICAL ISSUES –

1. Ann Antonsen, Vice President of Springsted, Inc., presented preliminary results of the Classification and Compensation Study for the City of Crosslake. Ms. Antonsen met with employees last fall to explain the process and asked staff to complete position analysis questionnaires. Part of the study included a market survey from similar sized cities. The study compared salaries not benefits. Brad Nelson stated that he did not think the cities used for the market survey were comparable to Crosslake. Gary Heacox agreed. Patty Norgaard stated that the Council could review the study and discuss at the next budget meeting on August 21st and asked if the study considered the extra duties assigned to employees because of the small staff size. Ms. Antonsen replied that the research included that information and suggested that the Council and staff send all of their questions/concerns to the City Clerk so that they can be sent to her all at once. Ms. Antonsen will answer the questions and make changes as requested.
2. Cindy Myogeto and Heather Jones gave an update on the events planned for Crosslake Days set for September 28-September 30. MOTION 08R-03-17 WAS MADE BY DAVE NEVIN AND SECONDED BY GARY HEACOX TO APPROVE THE PUBLIC TASTING OF CHILI IN THE CITY OF CROSSLAKE ON SEPTEMBER 29, 2017. MOTION CARRIED WITH ALL AYES.
3. Tad Erickson of Region 5 Development appeared before the Council and gave a brief update on the status of the Comprehensive Plan. In order to incorporate the ideas and aspirations of people who live, work and play in Crosslake, a survey will be available starting August 15th.

D. MAYOR'S REPORT – Leah Heggerston of 35533 Sand Pointe Drive announced that a ground breaking celebration for the new Crosslake Community School will take place on Saturday, August 19th at the site of the new school. Completion date of the school building is October 2018. The school is still accepting donations at www.buildtheschool.org.

E. PUBLIC FORUM – None.

F. CITY ADMINISTRATOR'S REPORT

1. Chris Pence reported that State Law mandates that commercial businesses comply with the Americans with Disabilities Act by having accessible buildings. Because the City does not enforce the building code, business owners applying for a zoning permit will be required to prove to Planning and Zoning that their building is compliant with the law. To avoid any cost to the City, Chris Pence suggested that staff provide names of inspectors to the applicants. MOTION 08R-04-17 WAS MADE BY PATTY NORGAARD AND SECONDED BY DAVE NEVIN TO DIRECT STAFF TO COMPILE A LIST OF BUILDING INSPECTORS THAT CAN APPROVE OR DENY ADA COMPLIANCE STANDARDS AND TO PROVIDE THIS LIST TO COMMERCIAL BUSINESS OWNERS APPLYING FOR A ZONING PERMIT. MOTION CARRIED WITH ALL AYES.
2. Mike Lyonais reported that the Fire Department sold the 2004 Hovercraft for \$15,000 and would like to use the proceeds for a rescue boat. MOTION 08R-05-17 WAS MADE BY BRAD NELSON AND SECONDED BY DAVE SCHRUPP TO APPROVE THE

PURCHASE OF AN INFLATABLE ZODIAC RESCUE BOAT AT A COST OF \$13,125. MOTION CARRIED WITH ALL AYES.

3. Mike Lyonais reported that National Joint Powers Alliance (NJPA) has approved payment for a feasibility study to be completed for the National Loon Center by researchers at the University of Minnesota. NJPA is limited to dispersing funds to government entities and asked the City to receive the funds and pass through to the university. MOTION 08R-06-17 WAS MADE BY BRAD NELSON AND SECONDED BY DAVE SCHRUPP TO ALLOW STAFF TO RECEIPT FUNDS FROM NJPA IN THE AMOUNT OF \$7,680 AND DISPERSE FUNDS TO THE UNIVERSITY OF MINNESOTA IN THE AMOUNT OF \$7,680 FOR RESEARCH OF THE NATIONAL LOON CENTER. MOTION CARRIED WITH ALL AYES. Leah Heggerston gave a brief update on the Loon Center.
4. Mike Lyonais reported that the Insurance Service Office (ISO) has upgraded its protection rating of the area served by the Crosslake Fire Department effective November 1, 2017. The rating changed from 7/10 to 6/10 which could result in lower premiums for home, property and commercial building insurance.

Patty Norgaard suggested that staff monitor the situation to see if the implemented changes improve safety before more action is taken.

- e. Included in the packet was information regarding the salt/sand building. Ted Strand asked that this item be removed from the agenda because he was in the process of gathering more information.

Ted Strand gave a brief update on Dream Island Bridge and the 2017 Road Improvements.

- H. PUBLIC FORUM** – Tim Berg of 11905 County Road 16 addressed the Council and asked that the Council consider alternative ways for pay for the wastewater facility improvements other than using the proceeds from the phone company. Mr. Berg expressed his

disappointment with the discrepancy between the Engineer's estimate and actual bids for the project.
