NOVEMBER 20, 2002  
6:00 P.M. – CITY HALL

Pursuant to proper notice duly given as required by law, the City Council met in the Chambers of City Hall for the final assessment hearing on the improvement to Shafer Road. Present at the hearing was Mayor Darrell Swanson and Councilmembers, Charles (Chuck) Miller, Irene Schultz and Dean Swanson. Councilmember Sandy Eliason was absent. Also present was City Administrator Thomas Swenson, City Engineer Dave Reese, City Attorney Steve Qualley, Community Development Director Paul Larson, Public Works Director Ted Strand and Clerk/Treasurer Darlene Roach. Also present was Councilmember's Elect Dean Eggena and Dick Phillips. (Sign in sheet attached as a permanent part of the minutes.)

Mayor Swanson called the public hearing to order at 6:00 P.M. and stated that the purpose of the hearing was to take questions and public comments regarding the assessment proposed for Shafer Road. City Administrator Tom Swenson read the Affidavit of Mailing confirming that the notice of final assessment hearing was deposited in the U.S. Post Office on November 5, 2002 mailed in a prepaid envelope containing the notice of the hearing along with the record of assessment showing the proposed cost to each benefiting property owner. Labels with property owner addresses were obtained from the Crow Wing County Auditor's Office. On October 31<sup>st</sup> the Notice of Final Assessment Hearing was published in the City's official newspaper, the Lake Country Echo. One mailed notice was returned to the City due to an invalid address for Brandon Porter and Olga Victoria. No other correspondence was received regarding this project.

City Engineer Dave Reese presented the project summary for the road improvement project. He stated that the project has been completed and the summary reflects the numbers estimated from the feasibility study and the actual cost of the improvement. The feasibility study completed by Widseth Smith Nolting estimated the cost of the project at \$41,929 with an estimated number of equivalent lots of nine for a lot assessment amount of \$2,329. The actual project cost is \$46,129.51. Of this amount, the City will pay fifty percent of the cost or \$23,064.76 and the benefiting property owners will pay \$23,064.75. The total number of equivalent lots calculated is 9.5 for a cost of \$2,427.87 per equivalent lot. The project cost is in excess of the estimated cost due to the prices of certain bid items. Blacktop prices were \$4.00 per ton higher in 2002 than in 2001 and common barrow came in \$3.00 per cubic yard higher in 2002. In addition, the road was elevated to improve drainage.

The hearing was open to the Council and audience for questions. There being no further comments, MOTION PH6-11-01-02 WAS MADE BY CHUCK MILLER AND SECONDED BY IRENE SCHULTZ TO APPROVE RESOLUTION NO. 02-73 ADOPTING ASSESSMENT FOR SHAFER ROAD SINCE IT IS THE BELIEF OF THE COUNCIL THAT THE IMPROVEMENT WILL INCREASE THE MARKET
