The following licenses were approved:

These licenses were an "On & Off" Sale Non-intoxicating malt license, a Wine license and a "Consumption & Display" (Set-up) license. Motion was made by Anderson and seconded by Delmonico. Arends mentioned that there has been some illegal traffic on the bike path such as the three-wheelers and horses. Don Coulter, police sergeant, suggested that perhaps an article in the Echo might help.

Respectfully submitted,

Jan Laughlin, Clerk-Treas.
