#### REGULAR COUNCIL MEETING CITY OF CROSSLAKE MONDAY, JANUARY 13, 2025 7:00 P.M. – CITY HALL

The Crosslake City Council held the Regular Council Meeting on Monday, January 13, 2025, in City Hall. The following Council Members were present: Mayor Jackson Purfeerst, Sandy Farder, Bob Heales and Jayme Knapp. Also in attendance were City Administrator Lori Conway, City Clerk Char Nelson, Deputy Clerk/Treasurer Sharyl Murphy, Park Director TJ Graumann, Public Works Director Patrick Wehner, Police Chief Jake Maier, Fire Chief Chip Lohmiller, Zoning Administrator Paul Satterlund, Zoning Coordinator Cheryl Stuckmayer, City Engineer Phil Martin, and Echo Publishing Reporter Tom Fraki. City Attorney Jordan Soderlind attended via Zoom. There were approximately seventy-five audience members in City Hall and on Zoom.

- A. CALL TO ORDER Mayor Purfeerst called the Regular Council Meeting to order at 7:00 P.M.
  - 1. Jackson Purfeerst, Bob Heales, and Jayme Knapp took their Oaths of Office as newly elected officials and received their Certificates of Election. The Pledge of Allegiance was recited.
  - 2. The Mayor read the list of additions to the agenda. MOTION 01R-01-25 WAS MADE BY SANDY FARDER AND SECONDED BY JAYME KNAPP TO APPROVE THE ADDITIONS TO THE AGENDA. MOTION CARRIED WITH ALL AYES.
  - 3. MOTION 01R-02-25 WAS MADE BY JACKSON PURFEERST AND SECONDED BY BOB HEALES TO APPROVE RESOLUTION NO. 25-01 ACCEPTING COUNCIL MEMBER PURFEERST'S RESIGNATION AND DECLARING A VACANCY. MOTION CARRIED WITH ALL AYES.
  - 4. Mayor Purfeerst explained that three candidates ran for council member seats in November and that the results were relatively close. Therefore, he would like to nominate Robin Sylvester to fill the vacancy. MOTION 01R-03-25 WAS MADE BY JACKSON PURFEERST AND SECONDED BY BOB HEALES TO APPOINT ROBIN SYLVESTER TO FILL VACANCY ON CITY COUNCIL. MOTION CARRIED WITH ALL AYES. Robin Sylvester took the Oath of Office and took a seat at the Council dais.
  - 5. Fire Chief Chip Lohmiller along with fellow firefighters and families recognized Neil Luzar as he retired from the Fire Department after 20 years of service. Mr. Luzar has held numerous positions within the department over the years including firefighter, captain, and assistant fire chief. Chief Lohmiller thanked Mr. Luzar and his family for their time and dedication to the department.
  - 6. Police Chief Jake Maier presented Citizen Awards for Patrick Wheeler, Caden Wheeler, and Kyler Wheeler for rescuing an unconscious person from the pool at Whitefish Lodge and Suites on August 3, 2024, and performing CPR until medical help arrived. The patient made a full recovery due to the early life saving efforts of the Wheelers. The

Wheelers were not able to attend the Council meeting, and the awards will be mailed to them.

#### B. DANGEROUS DOG HEARING

The City received a request for hearing on December 26, 2024, from Todd Dischinger after his receipt of notice of dangerous dog determination from the Crosslake Police Department. On December 8, 2024, the Crosslake Police Department received a call regarding an injured dog that was attacked by another dog. Officer Cody Haines was dispatched to the home of Daryl Swenson. Officer Haines responded to the call and spoke with the complainant who told him that when he was walking his little 17-pound dog on his property, a neighbor walked by with his 170-pound dog. The large dog attacked the little dog without any provocation. Officer Haines could see that the little dog was injured and in pain. Officer Haines then spoke with Todd Dischinger, neighbor and owner of the large dog, about the incident. Officer Haines issued a dangerous dog declaration.

Todd and Michelle Dischinger of 14297 Big Pine Trail addressed the Council and explained their story of events. They said that their Alaskan malamute, Zeke, was a large dog but is very kind and loving. Mr. Dischinger said that Zeke had never done anything like this before. The Dischinger's questioned why the claimant didn't seek veterinary treatment until the following day.

Darel Swenson of 14312 Big Pine Trail showed the Council a picture of his dog Reggie, that had to be euthanized due to the injuries sustained during the attack. Mr. Swenson stated that Reggie did not provoke the large dog in any way and that the attack took place on the Swenson's property. Mr. Swenson stated that he called the vet's office right away but received the triage line and was told to come into the office the next morning.

Animal Control Agent Mike O'Brien stated that he was contacted by the Crosslake Police Department to investigate the issue. Mr. O'Brien stated that the veterinary report showed that there were extensive internal injuries and that the estimate to begin surgery was \$4,000-\$7,000 with no guarantee of a positive outcome. The closest hospital that was open at that time was in Duluth or Fargo. Mr. O'Brien served the Dischinger's with formal Dangerous Dog Determination on December 12, 2024, at 9:00 pm. They were given 14 days to ask for an appeal hearing.

Julie Swenson, daughter of Darel Swenson, spoke to the gentle disposition of Reggie although she was not a witness to the incident.

Gary Swanson of 14270 Big Pine Trail reported that he is a seasonal resident and that last January he was in Crosslake, and his 70-pound Labradoodle was attacked by Zeke. The Labradoodle did not require veterinary attention, and the police were not called. Although Gary Swanson was not a witness to the attack on December 8<sup>th</sup>, he thought his encounter with Zeke was relevant to the situation.

Mr. O'Brien told the Council that if Zeke were deemed a dangerous dog, the Dischinger's would have 14 days to obtain signage to that effect, dog tag to that effect, be registered with

the City, build an enclosure, keep dog muzzled and on short leash when outside of enclosure, be microchipped and neutered, and obtain surety bond.

MOTION 01R-04-25 WAS MADE BY SANDY FARDER AND SECONDED BY ROBIN SYLVESTER TO APPROVE RESOLUTION NO. 25-02 TO UPHOLD DANGEROUS DOG DECLARATION. ROLL CALL VOTE WAS TAKEN AND MOTION CARRIED WITH ALL AYES.

b. Paul Satterlund looked to the Council for direction regarding the Personal Storage Zoning District that was approved last year and asked if they wanted to continue with that zoning change. Sandy Farder suggested that a workshop be held for the new members of the Council along with the City Attorney and Planning Commission to discuss what can and cannot be done for the three developers that have not been able to move forward on their projects. Bob Heales stated that these developers had already started their projects when the City changed the process and doesn't think they should be forced to follow a new ordinance. Jayme Knapp agreed with Mr. Heales. Robin Sylvester stated that this issue has been going on for a long time and that she is in favor of the developers getting to proceed. Jackson Purfeerst stated that Dean Eggena was the only one of the three that had Industrial Zoned property and suggested that the Council allow personal and commercial storage in this Zoning District.

#### SPECIAL COUNCIL MEETING CITY OF CROSSLAKE WEDNESDAY, JANUARY 29, 2025 9:00 A.M. – CITY HALL

The Council for the City of Crosslake met in a Special Session on Wednesday, January 29, 2025. The following Council Members were present: Mayor Jackson Purfeerst, Sandy Farder, Robin Sylvester and Jayme Knapp. Bob Heales was absent. Also present were City Administrator Lori Conway, City Attorney Tim Sullivan, Park Director TJ Graumann, City Clerk Char Nelson, AFSCME Union Representatives Troy Bauch and Abby Pearson, Jen LeBlanc, Josh Runksmeier, and Shawn Peterson.

- 1. Jackson Purfeerst called the meeting to order at 9:10 A.M.
- 2. MOTION 01SP1-01-25 WAS MADE BY JACKSON PURFEERST AND SECONDED BY SANDY FARDER TO APPROVE THE MINNESOTA PUBLIC EMPLOYEES' ASSOCIATION CONFIDENTIAL AND SUPERVISORY UNIT UNION CONTRACT EFFECTIVE JANUARY 1, 2025 DECEMBER 31, 2026. MOTION CARRIED WITH ALL AYES.
- 3. Troy Bauch addressed the Council and stated that the union has been working with the City since last year to reach an agreement. The membership voted down the last proposal from the City. Mr. Bauch stated that the negotiating team would prefer to work with the Personnel Committee rather than the full Council.

Jackson Purfeerst replied that the full Council has been involved in the negotiations since last year and they will continue to be. Attorney Sullivan stated that negotiations cannot take place through email, and everyone planned on being here today to negotiate. After some discussion, the union agreed to continue to negotiate with the City Council today.

Attorney Sullivan reviewed an email from Troy Bauch highlighting the requests from AFSCME membership:

- The Union wants no change to vacation accrual.
- Union asked that vacation time be allowed to use in .25-hour increments.
- Union asked for clarification of the removal of Park Maintenance position.
- Union asked H.S.A. to increase to \$3,300 single/\$6,600 family.
- Union asked to retain the current uniform allowance of \$500 per year.
- Union asked to increase cell phone reimbursement to \$35 per month.
- Union rejects the employer proposed requirement of use of 40 hours or more of sick time to qualify for cashing out sick time program

MOTION 01SP1-02-25 WAS MADE BY JACKSON PURFEERST AND SECONDED BY SANDY FARDER TO CLOSE THE SPECIAL MEETING AT 9:25 A.M. PURSUANT TO MINNESOTA STATUTE 13D.03 TO NEGOTIATE CONTRACT. MOTION CARRIED WITH ALL AYES.

The Council opened the Special Meeting at 10:45 A.M. Attorney Sullivan reviewed the City's response.

- Vacation accrual will remain unchanged for 2025. Effective January 1, 2026, 50% of an anticipated vacation accrual shall be credited to an employee's account on January 1 of each year, with the remaining vacation accrued on a prorated basis per pay period. This is the same language that the MNPEA contract has.
- The City will not decrease minimum vacation use increment from one hour to fifteen minutes. One hour increment is consistent with other bargaining units and practice.
- The City agreed to strike language change regarding sick time usage.
- City agreed to increase H.S.A. contributions
- The City agreed to not change uniform allowance
- The City did not agree to add cell phone language to the contract nor increase cell phone reimbursement.
- The City agreed to leave Park Maintenance and Park Heavy Equipment Operator positions on salary grid at negotiated rates.

Tim Sullivan also asked that the numbering in the contract be changed to Arabic numerals for modernization purposes and that the employer/employee split the upcoming MN Paid Leave premium 50/50. All other tentative agreements stand.

AFSCME left at 10:55 to caucus and returned at 11:15. Troy Bauch asked if the City would allow employees to carry over 40 hours of comp time into the following year and asked if the three employees attending the negotiations today could get paid, even though the contract specifies two.

The City caucused from 11:20 to 11:30. Tim Sullivan stated that the Council does not agree to allow carryover of comp time but will pay all three employees in attendance. Mr. Bauch asked if pay would be retro to the first of the year and the City said it would be.

MOTION 01SP1-03-25 WAS MADE BY JACKSON PURFEERST AND SECONDED BY SANDY FARDER TO ADJOURN THE MEETING AT 11:35 A.M. MOTION CARRIED WITH ALL AYES.

Respectfully Submitted,

Charlene Nelson City Clerk

#### Crosslake Park, Recreation, and Library Commission Minutes

#### Wednesday December 18, 2024

#### Crosslake Community Center 2:00pm

Present: Chair Peter Graves, Kristin Graham, Ann Schrupp, Mary Jo Fritsvold, Parks, and Recreation Director TJ Graumann

Not in attendance: Heather Jones, Kera Porter, City Council Liaison Jackson Purfeerst

- I. Meeting was called to order at 2:00 pm
- II. Approval of Minutes

  Motion to approve minutes of November 20<sup>th</sup> meeting.

  Schrupp/Fritsvold Favor: All Opposed: None
- III. Old Business
- IV. New Business
  - a. Trails Comprehensive Plan

TJ thoroughly went over the LAKES Trail Initiative and how we have gotten to this point. He went over the SS4A Grant, HSIP Funding, and the IIJA Match Application. He also provided a plan going forward:

Parks and Recreation is responsible for planning and implementing both paved and unpaved trails, while Public Works handles the maintenance of paved trails, excluding summer maintenance on Daggett Pine Trail and Wilderness Trail.

Historically, the city has identified "potential trails" in its comprehensive plans but has not developed a detailed implementation plan. Now, the city is interested in creating a comprehensive 5-year or 10-year trail plan.

Ideally, this trail plan would align with the Public Works Streets Plan and the County's highway plan.

Key partners in creating this plan include Public Works, Administration, the City Engineer (Bolton & Menk), and the Crow Wing County Highway Department. Stakeholders include the Lake Foundation, PAL Foundation, community members, businesses, and adjacent property owners.

#### V. Other Business

#### a. Updates

- Park Master Plan Committee This was approved at the last regular city council meeting. We currently have four people that have stepped forward.
- ii. Fall Festival Committee This was approved at the last regular city council meeting. We currently have two people that have stepped forward. A tentative date has been selected for October 11<sup>th</sup>.
- iii. PAL Focused Projects 2025 TJ listed the projects he will work on in partnership with the PAL foundation: Gaga Ball Pit, Plant Maple Trees alongside trails, bike repair stations, extending native grasses adjacent to Daggett Pine Rd., plan/develop natural play area, and install cornhole boards at Pine River Overlook Park.
  TJ also mentioned that PAL is interested in assisting the Parks Department in developing a Mountain Bike Trail within our Nordic Ridge Trail System. TJ Said that WSN had reached out to him yesterday and said that the first step would be to create a feasibility study. More to come on this.
- b. Comments from the commission
- c. Pequot Lakes Community Education Update –Joell was not in attendance.
  - i. Community Education Opportunities in Crosslake TJ and Joell are talking and will continue to work on this.

# CITY OF CROSSLAKE PUBLIC WORKS COMMISSION MEETING MINUTES MONDAY, DECEMBER 2, 2024 4:00 P.M. – CITY HALL

Pursuant to due notice and call the Public Works Commission held its regular monthly meeting on Monday, November 4, 2024, in City Hall. The following Commission Members were present: Tom Swenson, Gordon Wagner, Tim Berg, Dave Schrupp and Bob Frey. Also in attendance were Public Works Director Pat Wehner & City Administrator Lori Conway. City Engineer Phil Martin was absent. There were 2 in the audience.

The meeting was called to order at 4:00 P.M. by Tom Swenson.

A MOTION WAS MADE BY DAVE SCHRUPP AND SECONDED BY GORDON WAGNER TO APPROVE THE MEETING MINUTES FROM NOVEMBER 4, 2024. MOTION CARRIED WITH ALL AYES.

Discussion on Ordinance Amending Chapter 42, Clearing Snow from Streets, Sidewalks and Rights-of-Way. We received a letter from a current Crosslake Resident stating that if we do not clear and maintain the snow, we will not be compliant with ADA Requirements. The ordinance calls for the owners to clear and maintain the sidewalks next to their property. Tom stated it will be impossible for the sidewalks to remain clean as the County plows and not having a place to put the snow. Lori mentioned we do not have the equipment or the staff to be able to keep the sidewalks clear. After the County plows, there is nowhere for the city to put the snow, and Public Works will have to purchase equipment to haul the snow away for this to happen. The equipment Public Works currently has is too wide to fit on a sidewalk and will tear up the owner's lawns. It was also brought up that an ADA Challenge is tough to defend.

Bud Roberts spoke on behalf of Crosslake Community School and is concerned about the liability if someone should slip and fall and wanted to know who is liable? They hire a plowing company that comes before school hours to plow when necessary. His concern is who will plow these sidewalks after the County plows throughout the day? He feels since we haven't had the sidewalks in the past, we should close them for the winter months or seasonally.

Cindy Myogeto, Crosslake Chamber Director, spoke and mentioned that there is no use for the CSAH 66 sidewalk to be cleared of snow. But the remainder of the sidewalks does add value to the businesses that remain open in the winter.

Lori has left the attorney a message and is waiting to hear back from him about what needs to be done. Can we mark these as a seasonal sidewalk, and do we have to maintain the CSAH 66 Sidewalk in the winter due to ADA requirements? Lori will also check with other communities regarding sidewalk snow removal issues.

Gordon brought up if we plow the sidewalks by Andy's Bar and Restaurant that Ideal Snowmobile Club will have to move their trail for the Snowmobilers.

It was also mentioned that if we mark the sidewalks as trails, we will not have to maintain the sidewalks for the snow.

A MOTION WAS MADE BY TOM SWENSON AND SECONDED BY DAVE SCHRUPP TO RECOMMEND TO THE CITY COUNCIL TO PURCHASE SIGNS TO MARK ALL THE NEW SIDEWALKS TO SAY "NO SNOWMOBILES OR MOTORIZED VEHICLES' AND TO HAVE ALL SIGNS INSTALLED BY THE PUBLIC WORKS DEPARMENT. MOTION CARRIED WITH ALL AYES.

Lori mentioned, once we hear back from our Attorney on who is to clear the sidewalks, that is it possible to purchase a piece of equipment for Public Works to maintain all sidewalks from the remaining funds of our Road Construction funds? Lori will also share her questions and the answers she receives back from our Attorney.

Pat spoke on behalf of Phil's absence regarding CR 103 Trail Discussion for off road trails. Dave mentioned that the commission would like to see the design for the CSAH 103 resurfacing project when they become available.

A MOTION WAS MADE BY DAVE SCHRUPP AND SECONDED BY TOM SWENSON TO RECOMMEND THE CITY COUNCIL THAT THEY FOLLOWUP WITH THE COUNTY AND REQUEST A COPY OF THE DESIGN AND ALSO RECOMMEND THE COUNTY CONSIDER 11 FOOT DRIVING LANES AND INCREASE THE SHOULDERS FROM 4 FEET TO 5 FEET. MOTION CARRIED WITH ALL AYES.

Pat gave an update on Milinda Shores and Harbor Lane for 2025. Tom stated our current attorney and his response time in meeting city needs is unacceptable.

Pat also mentioned if we do add Trails to E. Shore Drive that we will need to expand the sewer collection system in that area prior to constructing a trail.

#### Old Business for Future Agenda:

- 1. Harbor Lane easement status from Attorney
- 2. Johnnie Street update
- 3. Response Letter to Crow Wing County's response to us on reducing drive lane width to increase bike lanes on CR 103, 2026 County Project. We need to share their letter with the new council.
- 4. Ground Rod repair cost resolution
- 5. Snow Removal Ordinance status
- 6. Estimated Sidewalk Snow removal equipment and labor costs. (Pat) Funds left over to use from overall roundabout/walkability project just completed to purchase the necessary equipment.
- 7. Snowmobile trails through Town. What are the Snowmobile Club's plans?
- 8. No-Motorized Vehicle Signage on new sidewalks, purchase and install soon.

- 9. Overall (City Managed) Trail plan:
  - 1. City wide
  - 2. Town Square

Pat gave an update on Loon Center update and talked about a proposed trail going behind the Loon Center and into the woods down to Andy's that they would like to see in the future.

Tom talked about having too many committees for all the trails and that maybe we need to recommend to the City Council that they hold a special meeting with all parties involved with the trails. This would include Attorney, Bolten & Menk, Public Works, Park & Rec, Crosslakers, WSN, Loon Center and Lakes Foundation. By involving all parties will help this be more organized and everyone will be together at once and understand who is in charge, maintain them and the purpose of future trails established.

A MOTION WAS MADE BY TOM SWENSON AND SECONDED BY DAVE SCHRUPP TO RECOMMEND THE CITY COUNCIL SCHEDULE A MEETING WITH ALL PARTIES INVOLVED WITH THE VARIOUS TRAILS. UNDER CONSIDERATION IN ORDER TO ELIMINATE CONFUSION REGARDING WHICH ENTITY IS IN CHARGE OF THE FUTURE TRAIL PROJECTS. MOTION CARRIED WITH ALL AYES.

Discussion by Public Works Director Wehner on how to present the expenses for the sewer plug to the parties involved. Alex Olson and the plug getting stuck caused most of the problems and expenses. Crow Wing Power says that the culvert repairs equal the same amount as moving the transformer and the payment is considered a wash. All items highlighted in yellow should be billed to Alex Olson to and see what they pay as a start is what Lori thought. Dave and Tom felt we should bill the entire amount to Alex Olson. Since it was their error to begin with and let them turn it into their insurance and then decide how we want to deal with Crow Wing Power. Once we see what the remaining balance is after insurance, we can meet with Crow Wing Power regarding the cost of moving the transformer.

Bob Frey gave his resignation and said he will not be renewing after his 3 year term.

They also requested a list of their term end dates.

Tom Swenson 2/1/2022-1/31/2025

Gordon Wagner 2/1/2023-1/31/2026 Tim Berg 2/1/2023-1/31/2026

Dave Schrupp 2/1/2024-1/31/2027 Bob Frey 2/1/2022-1/31/2025

A MOTION WAS MADE BY TOM SWENSON AND SECONDED BY GORDON WAGNER TO ADJOURN THE MEETING AT 5:40 P.M. MOTION CARRIED WITH ALL AYES.

**LG220 Application for Exempt Permit** 

Page 1 of 3

An exempt permit may be issued to a nonprofit organization that:

- · conducts lawful gambling on five or fewer days, and
- awards less than \$50,000 in prizes during a calendar year.

If total raffle prize value for the calendar year will be \$1,500 or less, contact the Licensing Specialist assigned to your county by calling 651-539-1900.

#### **Application Fee (non-refundable)**

Applications are processed in the order received. If the application is postmarked or received 30 days or more before the event, the application fee is **\$100**; otherwise the fee is **\$150**.

Due to the high volume of exempt applications, payment of additional fees prior to 30 days before your event will not expedite service, nor are telephone requests for expedited service accepted.

1)

I, Chip Lohmiller, being duly sworn state the following:

. /		

I am the Fire Chief of the City of Crosslake, Minnesota.

2) On <u>2/5/25</u>, the following services were furnished by F.I.R.E. to the City of Crosslake: Training for Crosslake Fire Department Continuing Education.

The price for such services was \$\( \frac{650}{000} \) and is reimbursed through Minnesota Board of Firefighting Training and Education (MBFTE).

4) At the time, such services were furnished to the City, I had the following personal financial interest in this contract: I am the owner of F.I.R.E.

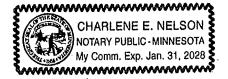

To the best of my knowledge and belief, the contract price is as low as, or lower than the price at which the services could be obtained from other sources.

I further state that this affidavit constitutes a claim against the City for the contract price, that the claim is just and correct, and that no part of the claim has been paid.

Chip Lohmiller, Fire Chief

#### LIABILITY COVERAGE WAIVER FORM

Members who obtain liability coverage through the League of Minnesota Cities Insurance Trust (LMCIT) must complete and return this form to LMCIT before their effective date of coverage. Email completed form to your city's underwriter, to pstech@lmc.org, or fax to 651.281.1298.

Members who obtain liability coverage from LMCIT must decide whether to waive the statutory tort liability limits to the extent of the coverage purchased. *The decision to waive or not waive the statutory tort limits must be made annually by the member's governing body, in consultation with its attorney if necessary.* The decision has the following effects:

- If the member does not waive the statutory tort limits, an individual claimant could recover no more than \$500,000 on any claim to which the statutory tort limits apply. The total all claimants could recover for a single occurrence to which the statutory tort limits apply would be limited to \$1,500,000. These statutory tort limits would apply regardless of whether the member purchases the optional LMCIT excess liability coverage.
- If the member waives the statutory tort limits and does not purchase excess liability coverage, a single claimant could recover up to \$2,000,000 for a single occurrence (under the waive option, the tort cap liability limits are only waived to the extent of the member's liability coverage limits, and the LMCIT per occurrence limit is \$2,000,000). The total all claimants could recover for a single occurrence to which the statutory tort limits apply would also be limited to \$2,000,000, regardless of the number of claimants.
- If the member waives the statutory tort limits and purchases excess liability coverage, a single claimant could potentially recover an amount up to the limit of the coverage purchased. The total all claimants could recover for a single occurrence to which the statutory tort limits apply would also be limited to the amount of coverage purchased, regardless of the number of claimants.

#### Memorandum

Date:

February 6th 2025

From:

Jake Maier

Subject:

Need for an additional full time police officer

Mayor/City Council,

I have previously discussed with the prior City Council and Public Safety Commission the need for an additional full time police officer. In this memo is an outline of the reasons I am asking.

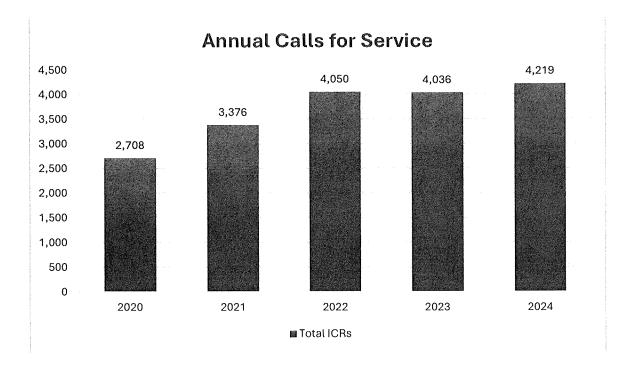

- The PD is getting busier as Crosslake's population grows (see chart)
  - o Twice as many calls for service as there was 10 years ago.
    - We don't have twice as many officers.
  - o Finding and retaining good officers is hard these days.
    - It took 9 months last time we hired.
  - o One foreseeable retirement in the next few years.
  - o We would be better prepared should someone leave the PD unexpectedly.
    - This has happened a couple times leaving us very short of help.
- When someone is sick, injured, or taking time off and additional officer would:
  - Help relieve stress and burnout of officers caused by working overtime to cover shifts.
  - Help relieve stress and burnout of officers switching from nights to days to cover shifts.
  - Help relieve stress and burnout of chief working alone and having to struggle to keep up to do necessary administrative duties AND responding to calls.
- The addition of an officer would allow for the police department to have time and manpower for other things such as:
  - Conducting investigations and covert missions such as watching known drug houses, criminal activities, and known criminals.
  - Help P&Z with code enforcement by being the "eyes and ears" on the street.
- Right now, the department has one officer working a floating shift. That officer right now has no set reoccurring schedule and is being switched between day shifts and night shifts to cover shifts when needed. He works a mid-shift

otherwise. This will lead to burnout as we have seen, 6 years and 4 officers later. It is very expensive to hire new officers, and this is happening every year to year and a half which also leads to stress and burnout of the officers needing to continually train in new recruits. The new officer would allow the department to have two floating shifts on a reoccurring schedule so the officer will at least know what day he is working but would be subject to being switched from days to nights to cover shifts. He would work a mid-shift otherwise. An additional officer would also satisfy the need of having two officers on duty on the busy summer weekends.

- The police department would keep the squad car that was set to be replaced this
  year to offset the cost of the additional officer.
- The last public safety committee agreed with the need for an additional officer and the last city council voted to earmark money in the budget for one.

Respectfully,

Jake Maier Police Chief

# CITY OF CROSSLAKE – CROW WING COUNTY FUTURE ROADWAY PROJECTS PLANNING MEETING MINUTES JANUARY 30, 2025 – CROSSLAKE CITY HALL

- 1. Introductions
  In Attendance Lori Conway, Pat Wehner, TJ Graumann, Phil Martin, Steve Stroschein,
  Jordan Larson, Rob Hall
- 2. Current Project(s) Status
  - a. CSAH 66/CSAH 3 roundabout, pedestrian and water quality improvements
    - i. Minor work left to complete and review, primarily vegetation/planting related
  - b. Joint Projects Seal Coat, Resurfacing, etc.
    - City is resurfacing and seal coating numerous roadways under the County contract
  - c. Others?
- 3. Future Projects
  - a. CR 103 Resurfacing 2026 Jordan Larson, Project Manager
    Discussed the location or proposed turn lanes and asked for any future City input on
    others. County told Phil we would let him know who we hire as an archaeologist in
    case the City would like to piggy-back to gather information in other areas for a
    future trail. The City discussed that they would like to move forward with the 11' lane
    and 5' shoulder option. The County would install centerline rumble strips if the
    lanes were narrowed to 11'. Lori will get a letter sent to the County stating this is
    their preference.
  - b. CSAH 66 Daggett Brook Bridge Rehab. 2026 Steve Stroschein, Project Manager Main discussion item was related to constructing the project with one lane of traffic open at all times. This is the County's current plan. Next steps for the County are to obtain any needed environmental permits, finalize plans and talk to adjacent businesses about potential access concerns during construction.
  - c. CSAH 3/CSAH 36/CR 103 Roundabout 2028 Jordan Larson, Project Manager Discussed the potential detour routes. City streets involved on the east side include Antler, Gendreau, Northern Ter. and Black Bear Path. Pat stated Black Bear Path was in very poor condition. The others aren't great, but better. Pat and Phil will review the roadways in the near future and coordinate with Jordan. The County mentioned there is the potential to do an overlay on Black Bear if needed, but would want to know soon so it can be budgeted. There is also the option to use CSAH

36/37 as the detour; however, the 2024 project that used this route led to many concerns from businesses between CSAH 36 and CSAH 66.

The west side will also be reviewed. It is understood that many locals will utilize Happy Landing and East Shore, but the formal signed detour may be best suited to utilize CR 120 (Fawn Lake Road) for visitors.

d. CSAH 66 Resurfacing – Bald Eagle Trail to Fire Hall – 2028 – Steve Stroschein, Project Manager

The County asked the City to start gathering information as to whether there is appetite to look at pedestrian and water quality improvements as part of the project. The County project is limited to resurfacing and ADA improvements of existing facilities. Discussions led to potentially extending the sidewalk installed on the east side in 2024 north to the Dairy Queen area. This is near the Daggett Brook Bridge, which only has sidewalk facilities on the west side.

e. CR 120 Resurfacing – partially in Crosslake – 2028 – Daria Graupman, Project Manager

No real concerns at this point. The project is a straightforward overlay with no new turn lanes anticipated.

#### 4. County Contact Information

- a. Rob Hall Assistant County Engineer rob.hall@crowwing.gov

- c. Jordan Larson Senior Engineer jordan.larson@crowwing.gov
- d. Daria Graupman Staff Engineer daria.graupman@crowwing.gov
- e. All can be reached at (218)-824-1110

#### General discussion items:

- 1. TJ has been assigned as the City's representative for all things trail related. The County stated their intentions of working directly with the City rather than the numerous private groups interested in improvements. The City is looking at creating a priority list or comprehensive plan for sidewalk/trail/pedestrian needs.
- 2. The County stated that they are available to come to Public Works Committee meetings and/or Council meetings for any and all of the projects mentioned.
- 3. Pat will start internal discussions with the Public Works Committee on 2/3/25 and let the County know if additional information is requested.

#### CR 103 Resurfacing Project

CR 103 is planned to be resurfaced in the summer of 2026 from the west end to 700' west of CSAH 3. This is expected to consist of a 1.0" leveling course followed by a 1.5" overlay. We are also planning to construct 3 right turn lanes at Perkins Rd, Happy Landing Rd, and West Shore Dr. These turn lanes will be dependent on an archeological study that will be done in the spring/summer of 2025.

The County has had discussions with the City in the fall/winter of 2024/2025 regarding the City's wishes to add a separated trail or wider shoulders for pedestrian movements. Currently there are 4' paved shoulders on the road. After some discussion with the City Engineer and City representatives about the difficulties with widening the road due to the cultural resources in the area, the County has no plans to include any road widening or separated trail with this project.

One option that the County presented to the City to try and gain some added shoulder area for pedestrian use is the narrowing of the driving lanes from 12' to 11' in width. This recommendation was supported by both the City and the Public Works Committee at the December 2024 meetings. If the County was to stripe the lanes at 11' wide, we would also be looking to add centerline rumble strips for safety purposes. Is this a something that the City is willing to accept in order to gain 1' of added shoulder?

At its meeting on 2/3/25 the Public Works Commission held a discussion regarding the following from the draft minutes of the meeting along with the motions that were made for the Council's consideration:

A MOTION WAS MADE BY DAVE SCHRUPP AND SECONDED BY TIM BERG TO RECOMMEND TO THE CITY COUNCIL THAT THEY RECOMMEND TO THE COUNTY THE FOLLOWING DETOURS FOR THE CSAH 3 & 36 ROUNDABOUT PROJECT. COMING FROM THE NORTH AND SOUTH, CONSTRUCT A TEMPORARY ROAD IN THE SOUTH EAST CORNER OF THE INTERSECTION AND UTILIZE NORTHERN TERRACE AND BLACK BEAR PATH FOR THE DETOUR. TRAFFIC COMING FROM THE WEST BE DETOURED TO CR 120. A ROLL CALL VOTE CARRIED WITH ALL AYES

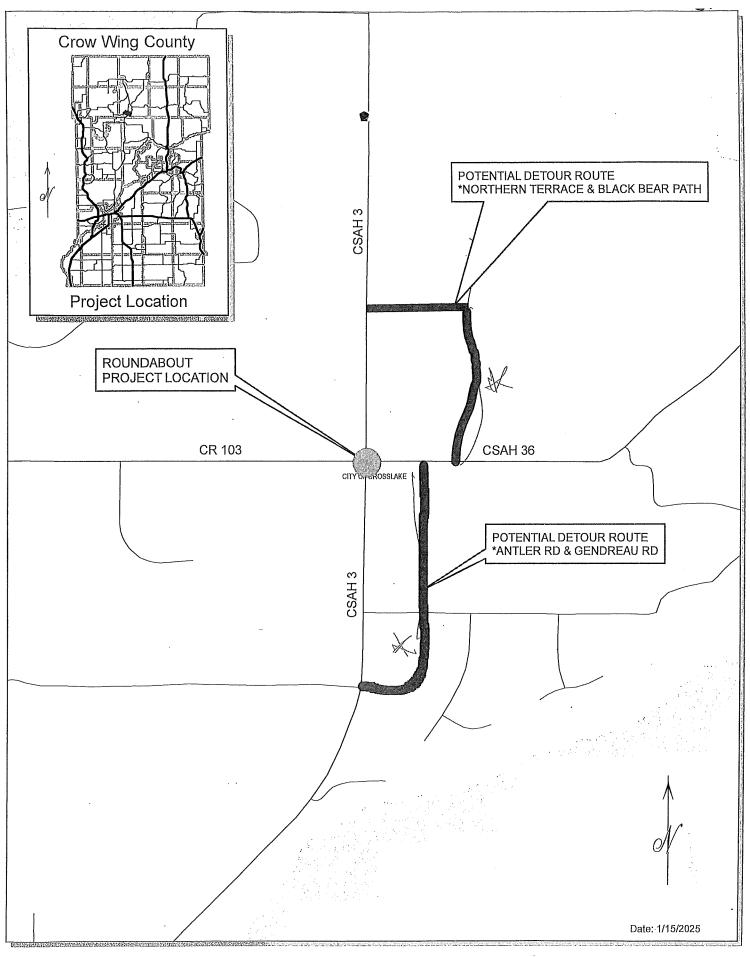

#### CSAH 3 & 36 Roundabout Project

A roundabout is planned to be constructed at the intersection of CSAH 3 & CSAH 36/CR 103 in the summer of 2028. This intersection is one of the more dangerous intersections in the County, and is in need of a safety improvement. The construction of the roundabout will require small amounts of right-of-way at each corner of the existing intersection. These conversations with the property owners have started, and will continue through the construction of the project.

With CSAH 3 being such a vital route into Crosslake from the south, we have begun looking at possible detour scenarios. In order to get the job done quickly and efficiently, a detour that keeps traffic completely out of the construction zone is a must. Does the City have any thoughts on Antler or Shafer Road, as well as Gendreau Road being used to detour traffic around the project south of CSAH 36? Also, what thoughts does the City have on using Northern Terrace and Black Bear Path as a detour on the north side of CSAH 36?

For traffic looking to come from the west on CR 103 to get to Crosslake, we have a couple different detour options. One scenario has the detour sending traffic down to CR 120 (Fawn Lake Rd), then east over to CSAH 3, and then using the detour that the CSAH 3 traffic is using to get around the construction site. The other option would be to use Happy Landing Rd to get traffic around the construction. What thoughts does the City have on these possible detour routes?

We certainly want to make sure the businesses along CSAH 3 north of the roundabout are able to operate as close to usual as possible, so keeping traffic on Northern Terrace and Black Bear Path as a detour could help. I fully expect that a bulk of the residents traveling north on CSAH 3 to downtown Crosslake will end up taking CSAH 36 over to CSAH 37 and then into town.

SUBJECT: Moonlite Area Sewer Connection Update

At its meeting on 2/3/25 the Public Works Commission held a discussion regarding the following from the draft minutes of the meeting along with the motions that were made for the Council's consideration:

#### **Moonlite Area Sewer Connection Charge**

Since the completion of the CSAH 66 Sanitary Sewer Extension, City staff have been recording and verifying estimated connections and charges related to water usage at Moonlite Bay Restaurant, Moonlite Bay Convenience Store, and the Moonlite Bay Car Wash. Each property owner paid 80% of their estimated cost in 2022. In 2024 the City was able to get a complete record of daily usage. Based on that, we are recommending the following actions related to the estimated connections and charges:

- Moonlite Square Car Wash Reduce from 11 connections to 8 connections; \$7,360 overpayment
- Moonlite Square Convenience Store Confirm 2 connections; \$3,680 balance to pay
- Moonlite Bay Restaurant Reduce from 9 connections to 8 connections; \$7,360 balance to pay

A MOTION WAS MADE BY DAVE SCHRUPP AND SECONDED BY GORDON WAGNER TO RECOMMEND TO THE CITY COUNCIL TO REIMBURSE MOONLITE SQUARE CAR WASH \$7,360.00 AND COLLECT OUTSTANDING BALANCES FROM MOONLITE BAY CONVENIENCE STORE \$3,680.00 AND MOONLITE BAY RESTAURANT \$7,360.00 FOR THEIR SEWER CONNECTION CHARGES.

## REQUEST FOR COUNCIL ACTION

February 10, 2025

Department: Parks & Recreation Agenda Section: Commission Reports

Department Head: TJ Graumann

**Agenda Item:** Community Center Park Master Plan – Phase 1

#### BACKGROUND

In 2023, the hockey rink committee and the Park Commission recommended pursuing a full-size, community-focused hockey and recreational skating surface, along with a multi-use warming house, to align with the Parks and Recreation Comprehensive Plan. Later that year, City Council approved a proposal from Bolton & Menk to develop a conceptual site plan for the Community Park. As planning efforts continued, the success of the pickleball program elevated the need for additional courts to a top priority. From there, City Council approved a request from the Crosslake Pickleball Association (CPA) to begin fundraising for additional courts, setting a goal of \$70,000. In approximately seven months, the CPA successfully raised over \$70,000. On August 12, 2024, City Council approved the conceptual Park Master Plan and authorized breaking ground on the pickleball courts and parking lot in the spring of 2025.

#### FINANCIAL IMPLICATIONS

# Pickleball Courts

\$30,000 Pickleball Fund Balance

\$50,893.99 Donations

Parking Lot/Path

\$141,581.82 Park Dedication Fund Balance \$60,000 Park General Capital Expense

\$282,475.81

# STAFF RECOMMENDATIONS

The Parks Department recommends accepting proposals from Anderson Brothers, Elite Fence & Deck, and Lee Sports Surfacing to build four additional pickleball courts and a 48-stall parking lot.

#### COUNCIL ACTION REQUESTED

Motion to accept proposals from Anderson Brothers, Elite Fencing and Lee Sports Surfacing.

<sup>\*</sup> Does not include additional facility items such as fence rail toppers, picnic tables, or windscreens. These items will be paid for with donated funds.

In reference to: Infrastructure Investment and Jobs Act (IIJA) Matching Grant (state funds) SAP 018-589-002

Dear Mr. Graumann,

Thank you for applying for state match funding for a federal IIJA Safe Streets for All Planning discretionary grant. Your application has been approved for up to \$50,000.00 in state funds. Note that these funds will require a grant agreement and eligible costs will be paid on a reimbursable basis only after the grant agreement has been executed. The document at the following link generally outlines the process to access state funds through a grant agreement: State fund grantee user guide (PDF).

The immediate next step related to the state IIJA match funds is for the city to work with Nancy Stone (651-802-4921 or <a href="mailto:nancy.stone@state.mn.us">nancy.stone@state.mn.us</a>) to schedule a kick-off meeting to discuss federal funds, state IIJA match funds, county sponsorship (see below), and related process and timelines. Attendees should include me, Elisa Bottos from Central Office State Aid, Angie Tomovic from District 3, Tim Bray from Crow Wing County (project sponsor), and city representatives.

The state funded grant agreement will be between MnDOT and the City of Cross Lake. However Crow Wing County will be the project sponsor. County sponsorship typically includes the items below (see <a href="state aid manual">state aid manual</a>, Chapter 5.3 section X.). At the kick-off meeting, we will discuss county sponsorship, including potential alternative arrangements if the city wants to take on some of these activities.

- Serve as the fiscal agent on behalf of the community
- Request a SAP/SP number for the project
- Ensure the project meets milestones and dates for scheduled completion
- Assist local agency/community in execution of any grant agreement
- Develop, review, and approve the construction plan project
- Ensure that any required environmental documents and permits are received and requirements are followed
- Submit plan, engineers estimate, and proposal to the DSAE
- Advertise/let/award the project in accordance with state aid and/or federal aid procedures
- Submit the State Aid Pay Requests to the DSAE
- Communicate progress and updates with the DSAEs and State Aid Programs Engineer
- Ensure that the project receives adequate supervision and inspection to ensure that project is completed in conformance with approved plans and specifications
- Assist with project close out and final contract documents
- Retain project documents in accordance with document retention schedule
- The Joint Powers Agreement between grantee and sponsor should clearly indicate who is responsible for what. See <u>sample agreement</u> (Word).

This project received direct recipient federal funding from [the Federal Highway Administration (FHWA). As such, the federal funds will be administered outside of State Aid. Other important notes include:

- 1. The State Aid Project number for the state grant funds will be 018-589-002.
- 2. Only consultant costs will ultimately be eligible for reimbursement. Public agency staff time is not an eligible use of grant funds.
- 3. Please inform me as soon as possible after the federal funds have been authorized and after the consultant has been selected.
- 4. After selecting a consultant, your immediate next step will be to work with your District State Aid Engineer to execute a "state funded professional/technical force account agreement." This will document the amount of state IIJA matching funds requested, as well as the consultant scope, schedule, and budget. The force account agreement should be a single pdf that includes the one-page force account form from the State Aid Agreements website (https://www.dot.state.mn.us/stateaid/agreements-info.html) and the consultant proposal or executed consultant contract. When the force account agreement is executed, the district state aid engineer will request that I issue a state IIJA match funding letter.

I will then review the eligible costs and will issue a state IIJA match funding letter to you. This will include further instructions on process, including links to the appropriate state grant agreement template, instructions for assembling the draft grant agreement, and the sample resolution that must be included in the grant agreement.

Important: only eligible costs incurred after the date of the state IIJA match funding letter will ultimately be eligible for reimbursement, though payment cannot be made until a grant agreement is executed.

Please contact me if you have questions.

Sincerely,

Marc D Briese Digitally signed by Marc D Briese Date: 2025.02.04 06:44:47 -06'00'
