March 4" 1924

Meeting called pursuant to law
to audit the books.

All members present -
As my books and Mr. Cochran's
checked as to orders, no trouble
was had, except some disagree-
ment in addition. The bank
statement shows \$3.63 more than
our books but as long as it is
on that side of the fence, we should
worry. May it ever be thus!

The meeting adjourned at
5.30 P.M.
