Applicants without a driver's license or current I.D. card with address must present two pieces of identification bearing the same address as the application card. All materials checked out on the patron's card are the responsibility of that person or legal guardian in the case of a minor. A patron must present their card to check out materials, or use the computers.

7-day loan period – new fiction, and audio/video materials

14-day loan period for all children's and juvenile books and "new" teen materials

28-day loan period – all other materials

Patrons may have a combined total of 10 items. All audio/visual materials are limited to four per week. A patron must be at least 17 years of age to check out an R-rated DVD. The City reserves the right to verify age prior to checking out an R-rated DVD.

Newspapers and current issues of adult periodicals are not loaned out. Some children and adult reference books are also non-circulating.

The library collection is open to everyone. Parents who wish to restrict their children's reading material must accompany the child to the library.

Circulation records are confidential; however, patrons should be aware that due to recent legislation (Section 215 of the Federal USA Patriot Act, Public Law 107-56), confidentiality may be compromised.

OVERDUE MATERIALS

Patrons with overdue materials will be notified. If materials are not returned within 30 days, the patron becomes responsible for the cost of the materials and a non-refundable \$5.00 administration fee. No further use of the library will be allowed until the material(s) are returned or restitution is made.

State law makes theft or destruction of library materials a crime. Any person shall be guilty, upon conviction, of library theft who willfully;

1. Removes or attempts to remove any library materials from the premises of a library facility without authority.
2. Mutilates, destroys, alters or otherwise damages, in whole or in part, any library materials.

3. Fails to return any library materials which have been loaned to said person by the library facility.

LOST MATERIALS

Any materials lost or damaged beyond repair must be paid for at a cost to be determined by the replacement cost. Any lost materials paid for by the patron and subsequently found, become the property of the patron. Lost materials checked out on a minor's card shall be the responsibility of the parent or guardian.

GIFT POLICY

A memorial gift is acknowledged by a card sent to the family of the person in whose memory the gift was given. If the donor requests a specific book be purchased, a book label will be affixed inside the memorial book designating for whom the memorial is made, and by whom.

Gift books must be of a general nature and of value to the collection as a whole and must meet the criteria of the Library's Materials Selection Policy.

DONATION POLICY

Donated items will be accepted by the Crosslake Area Library with the understanding that they may or may not be added to the collection. Items added to the collection must meet the Library's Materials Selection Policy. Donated books and equipment become city property and are subject to city policy. Items which are not placed in the collection may be sold in the library book sales. The library will not make appraisals on donated items. However, if the donor wishes to take a tax deduction, a receipt for the donated item will be provided.

VOLUNTEER POLICY

The Library Advisory Board will be comprised of 3 to 5 volunteers approved by the Parks, Recreation/Library Commission to make recommendations regarding Library operations and updates to Library Policies and Procedures to the Library Manager and/or the Parks and Recreation/Library Director.

The purpose of the Crosslake Area Library Volunteer Program is to offer individuals the opportunity to make a positive contribution to the quality of community life through serving as volunteers in various capacities in the library and to enable the library to provide services and service enhancements that could not be provided without volunteers.

Volunteers must complete a volunteer application form available at the library. Volunteers under age 18 must have an approval form signed by a parent or legal guardian. The library has opportunities for volunteers in several different areas of service. Each area has its own specific requirements.

Volunteers must be a minimum of 15 years of age and must be able to responsibly perform assigned duties/tasks unsupervised. Volunteers must be at least 18 years of age to operate the Circulation Desk. Volunteers shall complete a release to the City of Crosslake for a required, routine background check.

Volunteers must receive orientation and training in library policies and procedures prior to beginning service. Volunteers work under the supervision of the Library Manager and agree to follow library policies and procedures as outlined during orientation. Volunteers who do not perform in accordance with acceptable library standards are either assigned to alternate jobs or advised that their services cannot be used by the library. Volunteers agree to a working partnership with other library volunteers and community center staff which shall be based on mutual respect.

Nothing in this policy shall be deemed to create a contract between the volunteer and the Crosslake Area Library or City of Crosslake. Both the volunteer and the Crosslake Area Library have the right to terminate the volunteer's association with the Library at any time, for any reason, with or without cause. The Library will operate in accordance with the City of Crosslake's current applicable Organizational Chart. Personnel issues that cannot be resolved at the Park and Recreation Director level will be referred to the Personnel Committee. (See Organizational Chart Exhibit A attached.)

POLICY ON UNATTENDED CHILDREN

Library volunteers cannot assume responsibility for children left unattended in the library. For safety reasons and the child's protection, children under age 10 cannot be left unattended in the library at any time, except for library-supervised activities. If a child is still on library premises when the library closes for the day, an attempt will be made to contact a parent or guardian. If a parent or guardian has not been located within twenty minutes, the unattended child will be accompanied to the Community Center front desk and City staff will continue trying to locate the parent or guardian.

PATRON BEHAVIOR AND LIBRARY USAGE

In order to protect all library users' right of access to library facilities, to ensure the safety of patrons and volunteers, and to protect library resources and facilities from damage, reasonable restrictions and appropriate safeguards to library access are outlined below.

Persons using the library for purposes other than those for which the library was established will be asked to leave.

The following prohibited activities, conduct, and conditions are for the protection and comfort of library visitors and volunteers:

1. Eating, drinking, smoking, or possession or consumption of a controlled or restricted drug or substance or being under the influence of alcohol or drugs.
2. Bringing in animals except those needed to assist a patron with a disability or animals used in a library program with prior notification to the Parks and Recreation/Library Director.
3. Cell phone use other than that deemed necessary by the volunteer on duty.
4. Mutilating and/or stealing library materials or other library property.

5. Talking in a loud or abusive voice or engaging in other disruptive conduct.
6. Interfering with another person's use of the library or with the library volunteer's performance of their duties.
7. Entering non-public areas of the library without proper authorization.
8. Improper attire (shirt and shoes are required).
9. All other offenses which are subject to prosecution under criminal or civil code of law.

The patio garden use is considered an extension of the library and thus, is intended for all library patrons. No private party reservations or rentals of the patio/garden will be permitted.

INTERNET/COMPUTER POLICY

By using a public Internet workstation at the Crosslake Area Library, you agree to the following guidelines;

1. It is not possible for the library volunteers to control specific information that may be located on the internet. The library does not endorse the viewpoints of either written material or electronic information. Selection policies that serve to govern a library's purchase of written materials may not apply to material accessed electronically.
2. U.S. copyright law (*Title 17, U.S. Code*) prohibits the unauthorized reproduction or distribution of copyrighted materials, except as permitted by the principles of "fair use." Users may not copy or distribute electronic materials without the explicit permission of the copyright holder. Any responsibility for any consequences of copyright infringement lies with the user; the library (City) expressly disclaims any liability or responsibility resulting from such use.
3. All minors (those under the age of 18) must have a signed parental or guardian or caregiver consent form in order to use the computers. The Crosslake Area Library assumes no responsibility for the use of the Internet by children. It is the responsibility of the parent, guardian, or caregiver to determine what is appropriate.
4. Library volunteers may be available to assist patrons very briefly in the use of the Internet. Children age 10 and under must be personally assisted by an adult at all times.
5. The charge for printing is \$.25 per page with a maximum of 25 pages permitted. No copying services will be provided to the public.
6. Patrons will not be permitted to access material that may be considered offensive to other patrons or to the library volunteers.
7. Persons using this equipment agree not to make any changes to the setup or configuration of the software or hardware.

8. Misuse or abuse of a computer or Internet access will result in suspension of Library access privileges and/or possible legal action.
9. Anyone who uses the computers in the library must have a library card from the Crosslake Area Library. That card must be presented whenever the patron wishes to access a library computer.
10. Because computer resources are limited, nonessential use of computers for game playing and interactive game playing is prohibited in the library.

MATERIALS SELECTION POLICY

The cornerstone of library service is the book collection. Providing a vital book collection—one which has meaning for the public served—requires continuous attention; it means retaining the best of the old and selecting the best of the new.

This policy governs the selection and maintenance of the Crosslake Area Library's collection of books, periodicals, pamphlets, newspapers, audio/video materials, or any other materials owned by the library. The library recognizes its responsibilities to collect such materials, to organize and make available its resources, and to give guidance in the use and interpretation of its collection.

Objectives:

To facilitate informal self-education of all people in the community.

To enrich and further develop the subjects on which individuals are undertaking formal education.

To meet the informational needs of all.

To support the educational, civic, and cultural activities of groups and organizations.

To encourage enjoyable leisure time reading.

Community Factors:

The Crosslake Area Library serves a variety of people from a wide geographic area. The collection must be broad in subject, comprehensive in viewpoint, and have wide latitude in reading levels.

Book Selection Policies and Procedures:

Ultimate responsibility for book selection rests with the Library Manager.

The book selection policy is intended to implement the general objectives of the library. The purpose of the selection process is to obtain expertly selected books and other materials to

further the library's purpose of giving information, reference assistance, and provide help to those engaged in educational pursuits, as well as providing general home reading. The library's policy is to purchase, within budget limitations, materials that satisfy the needs of the library's patrons.

Points considered in book selection are literary, educational, informational, and recreational value; authority and effectiveness of presentation; qualities conducive to critical thought and understanding; and available funds and space. Contemporary and popular authors are included, as well as those who have demonstrated enduring worth. Titles are selected on the basis of content as a whole and without regard to the political opinions or purposes of the publisher. In the case of controversial questions, variety and balance of opinion are sought whenever available.

Children and Young Adults:

The aim of book selection for children is to choose the best new books and replace or duplicate older titles that have proven their worth. Books should include recreational reading, inspirational books of lasting value, and books of information covering a wide range of knowledge that will satisfy the children's natural curiosity and widen their interests. To this end, young adult titles are selected that are keyed to young people's needs and interests, as well as books that will tend to open up new interests in cultural, economic and social fields.

Book Selection Aids:

Since it is impossible to read every book for the library before purchase, materials are chosen with the use of selection aids such as basic and current general lists, special bibliographies, and book reviewing journals. No one publication is relied upon exclusively and the critical opinions of reviewers are checked against each other.

Weeding:

The library periodically removes from the collection worn or outdated materials, duplicate copies, or materials no longer of interest.

Controversial Issues:

The library asserts its right and duty to keep on its shelves a representative selection of books on all subjects of interest to its readers which are not prohibited by law, including books on all sides of controversial issues. Books on any subject, if published by reputable publishers and sold without restriction in bookstores, are properly admitted to the library. The library has no right to emphasize one subject at the expense of another, or one side of a subject without regard to the other side. It must carry the important books on all sides of subjects.

Special Aspects of Book Selections:

The library recognizes that some materials may be controversial and that any given item may offend some patrons. The presence of a particular work does not constitute an endorsement of its contents, or of any theory, idea, or policy contained therein.

Questions concerning this policy, or complaints and comments on a specific book should be taken up with the Library Manager. In the event such a complaint cannot be satisfactorily resolved between the patron and the Library Manager, the patron may appeal to the Park and Recreation/Library Commission. The book or other material in question will be kept on the library shelves and available for check-out until a final determination is made.

Donated Items: (Accepted by the Council 2019)

The Crosslake Area Library welcomes and encourages donations of new or gently used books and some multi-media materials. We are grateful for the generosity of persons who donate materials to the library.** Guidelines have been established to ensure the quality of donated materials.
