

Adult Tennis Mixer 2024

Greetings Tennis Players!

Adult Tennis season is here! The Crosslake Park and Recreation's Adult Tennis Program will begin Thursday, May 30th and run through Thursday, August 29th. This co-ed league will meet Monday's and Thursdays from 9:00-11:00 am. The fee for the program is **\$25.00**. We will provide 3 cans of balls each week. Any used cans should be returned for new cans each Thursday. The courts will be reserved during this time for Adult Mixed League Tennis only however, in the event we offer youth lessons the program will utilize two courts on coinciding days. If the group would like to extend play into September, we would be happy to accommodate the request to reserve the courts however, after the Labor Day Holiday we will no longer provide tennis balls.

Please call 218-692-4271 if you have further questions. I have attached the participation waiver for your convenience and hope you will join us on the courts once again this summer.

Thank you,

TJ
