VARIANCE APPLICATIONS

Staff does not make decisions as to whether a variance application gets approved or denied. Staff's job is to inform the applicant of the requirements for submitting a variance, assess whether the application is complete when it is submitted and then presenting the facts of the application to the Planning Commission/Board of Adjustment (PC/BOA).

The PC/BOA determines whether they approve or deny an application at the public hearing as per Minnesota Statute 462 and the Crosslake Land Use Ordinance.

Through the process, staff does try to recommend different solutions and gives their opinion as to whether the PC/BOA may approve or deny the application, but they cannot reject a completed application. Even if staff feels that the application may be denied by the PC/BOA, they are obligated to accept the application and bring it to the PC/BOA.

Every property owner has the right to ask for a variance per Article 8 of the Land Use Ordinance.

Anyone that feels the PC/BOA has erred, could appeal their decision, per Article 8 of the Land Use Ordinance.

5. Old Business-Variations are heard on their individual requests, past variations hold no precedents. Commissioners may table the request if needed and an applicant can withdraw their request. If the variance(s) is/are approved, all related existing nonconformities will be eliminated and will hereafter be required to follow the variance decision. If a variance is denied the applicant can rebuild the nonconformity as is per the Crosslake Ordinance.
