

Call for Service Request Form

The goal of the City of Crosslake is to provide exceptional customer service. One of the ways we accomplish this is by providing free onsite visits to landowners to answer any land-related question that they might have.

This "call for service" form is a good way for landowners to establish communication with our office. Once this form is submitted, the Planning & Zoning Administrator will give you a call to set up a time to meet with you. Once onsite, they will identify issues that you may encounter during the permitting / regulatory process, potentially saving you time and money.

Property Owner Name: _____

Phone #: _____

Email Address: _____
